Thursday, June 2:	Little Learners & Afternoon Preschool - Last Day of School Celebration
Friday, June 3:	Kinder Learners – Last Day of School and Graduation

An updated schedule will be distributed any time there is a date change.

Special Dates

More detailed information about each celebration will be provided during the weeks prior to the event. Parent participation and involvement is reliant on Covid safety guidelines.

Birthdays: On your child's birthday you are welcome to bring something special for the class to celebrate. We encourage non-food items like pencils, stickers, etc. We would love if you donated a book to the classroom with a special birthday message!

Halloween Parade: Preschoolers may dress up in costume for the day. Students will parade around the grassy area outdoors to "trick or treat"!

Thanksgiving Celebration: Preschoolers will celebrate the season of "Giving Thanks". We encourage the students to learn about their family's heritage for this celebration. This activity will take place during the last part of class.

Holiday Party: Preschoolers prepare a holiday gift and will celebrate with a cookie party!

Valentine's Day: Preschoolers may bring Valentines into class on this day. Kinder Learners students are encouraged to use this as an opportunity to practice writing their own names (start early - just do two or three each day!). We'll decorate Valentine boxes in class.

Egg Hunt: We will dye eggs in class, decorate Easter bags or containers and have an egg hunt on the CCC lawn!

Graduation and Last Day: On this day Kinder Learner students and PM students graduating to Kindergarten will be recognized and receive diplomas. All classes will have a fun end of year celebration. More details as the date approaches.
